

20TH ANNUAL SCIENTIFIC MEETING OF THE AUSTRALASIAN COLLEGE OF PHLEBOLOGY

CONFERENCE WRAP UP

The initial feedback from the conference has been overwhelmingly positive and we are very pleased that all our sessions were so well received. Thank you to our many invited speakers and to all the faculty for preparing such many and varied talks. We hope you all left the conference educated and inspired to advance Phlebology and achieve the best outcomes for our patients.

Our planning for the next conference has already begun and in order to provide the best and most relevant content for our delegates we look forward to receiving your feedback by completing the survey, which you can access via the link sent alongside this flyer.

Be sure to also click on the link in the mailout to view the photos from our wonderful photographer Matthew Evans. He truly captured the great vibes that made this event such a wonderful success.

We will keep you posted on the next location and dates and hope to see you in 2020!

REFRESHER & ULTRASOUND

The attendance for the Phlebology Refresher Course was outstanding. Trainees and Fellows enjoyed refreshing their knowledge of all things Phlebology in the morning, with several of the College's online modules presented by the module instructors. The training course will become a frequent feature of all our conferences, allowing all online modules to be presented over a 3-year cycle. We received great feedback from our Phlebology Ultrasound Course, where attendees had the chance for some hands on ultrasound scanning. Thanks to Dan from Philips for assisting on the day, as well as our sonographers Yana, Rylee and Rena. Lastly, thank you to our forgiving patients who allowed themselves to be poked and prodded.

HANDS ON TRAINING SESSION

The Hands on Training Sessions were once again hugely popular during the conference. We had seven companies/stations in operation over three hours with delegates spending 20 minutes at each. We saw some great new products, valuable techniques and excellent faculty spending quality time with the delegates, providing a valuable learning experience for those attending.

WELCOME RECEPTION

We were delighted to have Medi Australia sponsor our beautiful, tropical Welcome Reception. The weather held out and we had a stunning evening. The drinks flowed, the interactive food stations were a big hit, the duo were amazing and Felix the Fire Dancer entertained the crowd. What a perfect way to start the conference in Cairns.

CEREMONY & GALA DINNER

The Ceremony and gala dinner is always a fabulous evening and was this year sponsored by the Sigvaris Group. We were delighted to have the Cairns RSL Bagpipers lead the Academic Procession in to the ceremony. Congratulations to all the recipients on their achievements. After the formalities, the evening got into full swing with the dance floor on fire all night, thanks to the amazing and talented Tony George Band. Oscar the Octopus took the central position on the dance floor and tables were adorned with underwater coral, helmets and candles, giving the full 20,000 leagues under the sea feel.
