Mamanuca Group of Island Cruise with Sabre!

Fiji's newest day experience! Enjoy a full day sailing experience with South Sea Sailing around Fiji's Mamanuca Islands onboard our brand-new sailing catamaran, Sabre. The Mamanuca Islands of Fiji are situated just off the coast of Nadi and are within easy access of Port Denarau. On this day sailing experience, you will sail around this beautiful group of islands stopping to swim and relax on the sand as well as stopping to snorkel at abundant tropical reefs. With snorkeling gear provided and easy access off the front of SABRE via stairs or a slide, this is the best way to see these islands and take-home memories to last a lifetime. Cruise through the Mamanuca Islands with the day's itinerary dependent on the warm tropical breezes and sea conditions, creating a one-off experience every day.

SABRE has large shaded canopies with a range of seating options from bean bags to booths, there is plenty of room to enjoy the idyllic islands and atolls of these beautiful islands. During the day, enjoy a gourmet morning tea and buffet lunch designed by our executive chef with complimentary soft drinks and bottled water all day as well as beer and wine served from lunch time for 2 hours. The rest of the day, make use of our fully stocked bar charged on consumption.

Enjoy an experience like no other on Fiji's newest day trip. Included in the Day Experience price are a gourmet morning tea buffet lunch designed by our executive chef. Soft drinks and bottled water are complimentary and available all day with wine and beer also included from lunch time for 2 hours. A full bar service is available throughout the day including signature cocktails. This is no ordinary buffet!
