

TOUR: Full Day – Tivua Island
Operating : daily
TIME: 10.00hrs – 17.00hrs

Tivua Island is the perfect day-trip destination in Fiji. Set sail by tall ship to the island sanctuary of Tivua, a small but pristine tropical island in Fiji. Encircled by white-sand beaches and surrounded by coral reef, the pristine tropical island functions as a sea turtle sanctuary during nesting season. After hotel pickup, step aboard the Ra Maramaa or Fiji 1. Enjoy Fijian music by the entertaining crew and watch for dolphins playing in the bow wave as you're served morning tea aboard the tall ship. Upon arrival at Tivua Island, you will be greeted and take part in a kava welcome ceremony, you can decide how to while away the hours: swim in the azure sea, stroll around the island, or sunbathe on the sandy shoreline. If you're feeling energetic, a selection of activities such as snorkeling, beach volleyball, reef fishing, and use of kayak, stand-up paddleboard, or canoe is included. Or perhaps set out for some coral viewing on a glass-bottom boat tour. Dig into a buffet luncheon including barbecue chicken, whole baked fish, sausages, fresh salads, fruit and fresh-baked bread rolls accompanied by local beer, wine and soft drinks. Tour departs at 10am and returns 5pm.
