

**PORT – Lautoka**

**DATE: Monday to Saturday**

**TOUR – Tropical Fiji Tour**

**DURATION: 9.30am – 1.30PM (4hours)**

The Private Tour offers the opportunity to visit a local Fijian village, Orchid Garden of the Sleeping Giant and local fruit and vegetable market.

Viseisei village - the first Fijian village believed to have been settled around 3500 years ago by the fierce and powerful Fijian chief, Lutunasobasoba and his clansmen. This village tour offers an opportunity for guests to meet locals and have an insight of their households with the village tribal set-up.

The Orchid Garden of the Sleeping Giant is a horticultural paradise, bursting with flowers, lily ponds, and lush rain forest. The gardens showcase more than two thousand different kinds of orchids, covering 20 hectares. Tropical Juice is served at the end of the Garden tour as light refreshments.

Visiting the Fiji local fruit & vegetable markets provides the opportunity to glimpse Fijis' local root crops, seasonal fruits, seafood, seasonal vegetable and also interact with the locals. Fiji produces some of the best fruits such as Mangoes, pineapples, and bananas. These fruits are sold at one Fiji dollar for a heap, and guests can taste these fruits at the same time.
